

JR PRODUCTS is proud to stand behind our merchandise with the "Industry's first and only Lifetime Warranty!"

What/Who is Covered and for How Long

JR PRODUCTS warrants to the original owner/retail purchaser that its hardware merchandise will be free from manufacturing defects in material and workmanship when subject to normal and proper use. Should any such defect occur during the lifetime of the original purchaser (and as long as the original purchaser still retains ownership of the merchandise), JR PRODUCTS will repair or replace, at its option, the defective merchandise. JR PRODUCTS also reserves the right to refund the amount paid by the original owner for the merchandise. This warranty does not cover labor or other services.

In the event of repair or replacement under the terms of this warranty, the original warranty shall apply to the replacement or repaired part or product and will extend for the balance of the warranty period in effect at the time the merchandise proved defective.

JR PRODUCTS reserves the right to discontinue or modify any of its merchandise without notice, and shall not be liable as a result of such discontinuance or modification, nor shall JR PRODUCTS be liable in the event the replacement material may vary in any way in comparison to the original merchandise. If JR PRODUCTS replaces any merchandise or parts under this warranty, it may substitute merchandise designated by JR PRODUCTS to be of comparable quality or price range in the event the merchandise initially installed has been discontinued or modified.

Other Conditions/Disclaimer

This warranty replaces all other oral or written warranties, liability or obligations of JR PRODUCTS.
